CONTRACTOR'S INSURANCE ON FILE

Call PA One Call 1-800-242-1776. Placement of actual construction shall be coordinated with the Township Roadmaster, once locates are in place. (Contractor's Responsibility)

INSPECTION: All public improvement shall be inspected by Washington Township during regular business hours by calling 814-734-3117.

SPECIAL INSTRUCTIONS: \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

This permit becomes null and void if work or construction is not completed on the date above. The permittee shall submit a written request for an extension of time within two (2) business days before the date of completion, if the work is not expected to be completed on time. The request shall state the cause of delay. I hereby certify that I have read and examined the application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or

not. The granting of the permit does not presume to give authority to violate or cancel the provisions of any other state law regulating construction or performance of construction.

Applicant/ Permittee hereby covenants to indemnify Washington Township and save the Township harmless from all actions or damages of every kind and description which may accrue to or be suffered by any person, persons, corporation, or property by reason of the performance of any work done under this permit, character of materials used, or manner of installation, maintenance and operation, or by the improper occupancy or right-of-way or public place or public structure, and in case any suit or action is brought against said Township for damages arising out of, or by reason of any of the work determined, if advised to the Township.
